

Challa's Little Playgroup

 So much learning starts with play! 

Playgroup gives babies and young children opportunities to:

- Explore, discover and follow their curiosity.
- Develop language and communication skills.
- Make friends and practise playing with others.
- Build confidence and a sense of belonging.
- Enjoy hands-on activities that support creativity and movement.
- To connect with parents and carers, share experiences and enjoy time together.

Join our wonderful Teacher Anna H at Challa Little Playgroup, welcoming children from birth to 5 years and their parents or carers.

 Every Friday during term time

 9:00–10:40am
